

Integrated Systems Europe

YOUR GUIDE TO
ISE 2019

5 - 8 February 2019

**invision**

WELCOME TO ISE 2019

Integrated Systems Europe (ISE) is the world's largest exhibition for AV, residential technology and systems integration professionals, a location where markets and people come together to collaborate, learn and do business.

In 2019, the four-day show is expected to attract over 80,000 attendees, making it the biggest ISE so far. With a packed schedule of seminars, keynote speeches and exciting product launches, ISE 2019 is simply a must-attend event.

As you would expect, we are working closely with our manufacturer partners to showcase their very latest products and technologies. This guide will help you navigate your way around the RAI and make it easier for you to locate our stands. If you haven't already registered, please use our invitation code **705450** for free entry.

Our technical sales teams from the UK, Ireland, Belgium and the Netherlands are looking forward to seeing you in Amsterdam. If you would like to arrange a meeting during your visit to the show, please email **mark.taylor@invisionUK.com** or call me on **07825 559000**.

We do hope that you can make time to come and see us in Amsterdam. I am confident that you'll come away inspired, informed and ready to drive your business forward.

Kind regards

A handwritten signature in black ink, appearing to read 'Mark Taylor', written in a cursive style.

Mark Taylor
Commercial Director

Peter Alloway
Head of UK Business Development, Invision UK

"This year's ISE show is the biggest to date and simply a must-attend event for home cinema installers. Don't miss this opportunity for one-on-one meetings with our manufacturer partners and to see exclusive product demonstrations from Trinnov, Origin Acoustics, Artnovion, JVC, Screen Innovations, Procella and more. We look forward to seeing you in Amsterdam."

T: 07961 311422 | E: peter.alloway@invisionuk.com

Michael Roberts
Business Manager, Invision UK

"This exhibition always delivers the innovative technology that's guaranteed to have your heart racing, offering a world of new business opportunities for professional custom installers. Please contact me if you would like a tour of our stands at the RAI. We look forward to meeting you in Amsterdam."

T: 07795 680110 | E: michael.roberts@invisionuk.com

Adrian Summers
Business Manager, Invision UK

"Over 4 days at the RAI in Amsterdam, you will see a host of new products and technologies from our top-tier vendors. We know you will make invaluable connections this week that will fuel your business in 2019 and beyond. I look forward to meeting you."

T: 07825 737567 | E: adrian.summers@invisionuk.com

Mark Van Zon
General Manager, Invision Europe

"Our exceptional portfolio of exclusive products continues to evolve, and they are all here at ISE 2019. Invision Europe now supplies to specialist installers across Belgium, Netherlands and Luxembourg and we are looking forward to meeting new and existing customers during the show. Please get in touch if you would like to arrange a meeting or a tour of our stands."

T: +31 (0)495 84 32 84 | E: mark.van.zon@invisioneu.com

Jon Parkes
Residential AV Specialist, SquareOne, Ireland

"During Europe's largest industry event, you will see a host of new products from our market-leading technology brands all under one roof. As the leading trade-only supplier to installers in the Republic of Ireland and Northern Ireland, it's our most important show of the year and a great opportunity for face-to-face meetings. I hope you enjoy the show!"

T: +353 1274 3070 | E: jon.parkes@squareone.ie

ABOUT INVISION

We are Europe's leading trade-only distributor of professional technology solutions, providing professional installers with one-stop access to an exceptional portfolio of custom-installed products for high-end homes, smart buildings, luxury hotels and more.

In today's rapidly expanding market, you need a distributor who can ensure immediate access to a wide range of market-leading products. Our reputation is built on delivering cutting-edge technology, innovative products and integrated systems, combined with unrivalled customer service, technical support and training.

Moreover, we stock so you don't have to! All our products are generally available from stock for immediate same-day shipment to all UK and European destinations.

Our goal is to meet the evolving needs of our customers, to help you compete and succeed, and to build profitable, long term business partnerships.

SAMSUNG

THE WALL

See the Greatness.

BUILD EXCELLENCE WITH CEDIA[®] EDUCATION

CEDIA's ISE Training Programme is packed with important knowledge and focused on delivering educational excellence for all stakeholders in the home technology industry.

CEDIA will host more than 40 high quality training sessions over the four days of the event, making it the perfect time and place for visitors in all roles to increase their knowledge and skills, and learn how to improve their business for the years ahead:

► **Engineer**

Covering everything from video resolution to cables and connectors, these courses will ensure you have all the necessary skills to install the modern smart home to the highest ability.

► **Designer**

Ensure that you have all the latest best practices and protocols under your belt to produce best in class designs for custom installation projects.

► **Salesperson**

Covering everything from how to sell experience over products, to managing the sales process more effectively, these courses help to improve your sales processes and outcomes.

► **Business Owner**

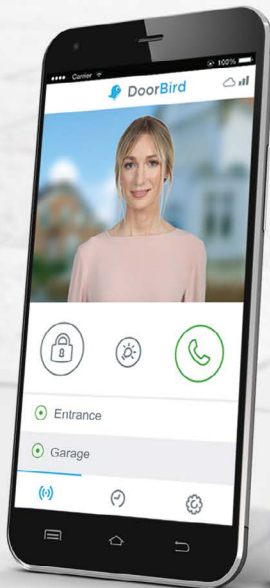

From HR and commercial strategy to growing your business and managing it effectively, these courses will help streamline your processes, and focus on the most important aspects of your business.

► **Emerging Trends**

Learn all there is to know about the latest - and upcoming - trends in technology, processes and revenue streams. Make sure that you are able to stay ahead of the curve, and ahead of the competition.
